

Lyf Referral Program

Terms and Conditions

DESCRIPTION

This Programme consists of offering the Referrer, who is already a Lyf Pay user, and his/her Recommendees purchase vouchers that can be used via the application at Partner Merchants, in accordance with the conditions set out below. The User is informed of the amount of the voucher via the "Refer a friend" section of the application.

CONDITIONS

Recommendees must be of legal age, and their first purchase with the Lyf Pay application must be for a minimum amount equal to twice the amount of the voucher, as specified in the "Refer a friend" section. A single Sponsor may sponsor as many Recommendees as he/she wishes. Recommendees may only be sponsored once. Vouchers are valid for a limited time and their value may change during the referral period.

Lyf reserves the right to cancel, shorten, extend or modify the referral program at any time without liability of any kind. Where applicable, Lyf Pay Users will be informed of the temporary cessation of the Refer a Friend Program via the "Refer a Friend" section of the application.

If irregularities are detected in the use of the programme, Lyf reserves the right to cancel any vouchers allocated and not yet used.

TERMS AND CONDITIONS

To pass on the sponsorship code to the Recommendees of his/her choice, the Referrer must open the menu located at the top left of the Lyf Pay homepage and click on "Refer a friend" to find his/her sponsorship code. They can then communicate their referral code in any way they wish. In particular, they can send their referral code via Lyf Pay by clicking on "Share my code" and then choosing the communication channel(s). Depending on the channel chosen, additional charges may be levied by the operator. The Referees will receive a message from their Referrer with the referral code as well as links allowing them to download the Lyf Pay application and benefit from a purchase voucher.

To receive the voucher, the Referred Friend will have to enter the code sent by the Referrer in the "Enter a code" menu accessible from the top left-hand menu of the Lyf Pay homepage. The Referrer will receive his/her voucher as soon as the Referred Friend has entered his/her referral code and made a first purchase of the set minimum amount.

The amounts of the vouchers for the Referrer and the Referred friend will be those in force on the day the Referee enters the referral code. However, these vouchers will only be awarded if the referral programme is still running on the day the code is entered by the Referee.
